

eSD Newsletter December 2024

Reminder

When transferring a student out, after you select School Type › District Schools - NEVER choose School Central

Assessments

Review your Course Setup to ensure you have the correct assessments and dates attached.

You can also attach the Science Investigations to the courses for teachers to input Incomplete/Complete in their gradebooks

Scheduling Reminders

- Determine if any changes will be made to the master schedule, especially daycode or semester patterns
- Complete School setup form
- After School Setup is complete, make adjustments to 2025-26 Course Catalog

Performance Maps

If using Performance Maps (specifically graduation maps), make sure you  add the new assessments as they become available

- if you need help, contact eschooldatateam@elb.org

Snow Days

We know that we do not want to think about this yet, but we do live in WNY.

Please make sure you enter them as Other Non-Attendance Days with the Sub Type of Weather
