12/10/2021	1:30 PM	CISCO WebEx
12/14/2021	10:00 AM	E1B Education Campus B2A & B2B

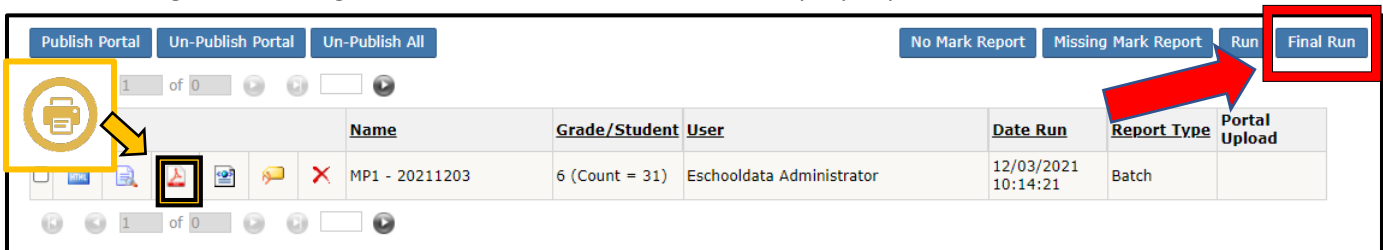

[eSD Security Coordinator Training 12/08/21](#): We strongly encourage all eSD Database Administrators that oversee district security to attend this in-depth look at setting up and fine-tuning your Security Groups and Permissions.

[Upcoming Deadline - Digital Equity Survey](#): Please remember the first deadline is Monday, December 6, 2021!

[eSD version 9.5](#): Our upcoming release will be installed around mid-December. Districts will have the ability to import their digital equity files through GURU, the Study Hall Wizard Report will have sortable columns, updates to the functionality of the Google Classroom Sync, and some new reports (highlighted later in this newsletter!).

Printing Standard Based Report Cards (SBRC):

Please make sure you are doing a **FINAL RUN** of your report cards under Reports > Grade Reporting > Standards-Based Reports. You can complete final runs by student name, by teacher, or by grade. When you are printing the SBRCs, you should be using the PDF file generated from the final run to ensure proper print format.

New Reports:

Contact Tracing with Vaccinations

Reports > Enrollment > Administrative Reports

This report is a copy of the Contact Tracing Report with additional columns for the first two COVID19 vaccine dates. To use this report, the districts must use the COVID19 immunization type and not a custom immunization.

Students Missing Specific User Defined Fields

Reports > Registration > Administrative Reports

This report will assist districts looking to find students with no values for User Defined Fields.

Guardians who are also listed as Emergency Contacts

Reports > Registration > Administrative Reports

This report will list all guardian records that are also emergency contacts.

Daily Attendance Summary

Student > Attendance > Administrative Reports

This report replicates the tallies/counts from the Student Profile for Absences and Tardy for the date range.

We hope every district has a chance to celebrate what matters most to them during the upcoming months!
